

West Neck Village Hall & Pool

3/25/23

TO: All West Neck Residents

FROM: George Davis – Director of Operations

SUBJECT: Pool Membership Information 2023 Season

This year our planned pool opening date is Saturday April 29th, and the closing day will be Sunday, September 24th. We had the pool resurfaced after we closed last year. This expense was paid out of Replacement Reserves that had been set aside just for this purpose. So, you will enjoy a new bright white plaster coat on the entire pool. We will continue to open daily at 7:30 AM until 9:00 AM for lap swimming, with general use beginning at 9:00 AM. We will close at 8:00 PM daily with the following exception: From April 29th through May 9th and August 11th through September 24th, when the days are shorter, we will begin closing at 7:00 PM every evening. As usual, we will not close the pool for any holiday celebrations. It will be open for you and your guests to enjoy on all the summer and fall holidays. In addition, we have purchased a new ice maker for members this year. That unit and our microwave will be housed in our pool building alcove. We also have some great news about water aerobics for this year. Kirsten will be teaching an hour-long water aerobics classes on Wednesdays at 5 PM from June 7th through August 30th. There will be no additional charge for pool members to take this class. General use will begin again at 6 PM on class days. Members not participating may remain on the pool deck, but may not utilize the pool for general use during this one hour class.

The rules from last year will apply, including the following items we always review: guests 15 and under will be allowed pool access from 10:00 AM until 2:00 PM daily. We want to allow youngsters enough time to dry off after swimming, but they will need to leave the pool grounds by 2:20 PM. We will continue to offer Family Night, as this was a popular program last year. On the second Saturday of every month, we will have a Family Night where guests under age 16 will be allowed to use the pool from 5 PM until closing. Their sponsoring member must be present. As in past years, there will be no midday lap swimming allowed on weekends or holidays. Also, there will be no “noodles” allowed in the bench area where there are water jets. Please note that all bicycles or golf carts must be parked adjacent to our main parking lot. We have a great bike rack that allows you to store and even secure your bike. We’re printing new copies of all the rules for this year. Please ask for a copy when picking up your membership packet at the Village Hall if you already don’t have a set.

The 2023 full season pool membership is \$330 per household, which includes 15 guest passes. This is the only price increase we have ever had since we opened the pool in 2009. Almost every cost associated with operating the pool has been impacted by inflation. We will continue the monthly options for membership

again this year. You may join for any one calendar month for a cost of \$110 per household, which also includes 3 guest passes. You may also join for two calendar months at a cost of \$220 per household with 6 guest passes. This change was put in place to try and accommodate those folks who traveled during the summer and weren't here all season but wanted to join the pool. Also, just a reminder for you, we have increased the number of guests that may be admitted at one time to five from four. The issue of single membership versus the household membership was revisited. We will continue to offer pool memberships by the household only.

Please note that pool membership is not mandatory. Payment can only be made by check or credit card. All payments will be made here at the Village Hall. Enclosed is your 2023 membership application. Your check and your completed membership form may be mailed to the Village Hall at the address shown below. If you chose to pay by Credit Card, you will need to come in person in order to process your payment. Please make all checks payable to WNCA. Please do not mail any payment for pool fees to Community Group. If you were a member last year, please also bring in your red wristlet ring and your 2022 plastic numbered pool membership tag that is attached. You will be issued a new 2023 pool membership tag that will be a different color. You will also receive 15 new guest passes as part of your packet. That way when friends or family visit, they can also enjoy the pool as your guest, at no additional cost to you. Should you want to purchase additional guest passes during the season, they will be available in packs of 6 for \$30. The Village Hall reception office is open from 9:00 AM to 5:00 PM Monday through Thursday. Friday hours are 9:00 AM until 4:00 PM. If you need to pay your membership fee, or pick up your membership packet on a weekend, the ambassador on duty in the Fitness Center can assist you on either Saturday or Sunday from 9:00 AM until 12:00 PM. Please note that there will be no full season prorated memberships except for new residents moving into the community. So, get the most for your money by signing up in time to enjoy the whole season. We have plenty of room to accommodate everyone who wishes to join. Don't miss out on this great amenity right here in your own community.

As always, when you visit the pool, you will need to check in with the ambassador on duty and sign in. Please note that any remaining guest passes from last year are invalid. Please also note that we do not allow pool access to anyone wearing "swimmers diapers" or any similar type of undergarment. In addition, sponsors are responsible for the behavior of their guests. Sponsors need to sign in their guests and must be present when their guests are in the pool area. Please remember that you're limited to five guests at any one time.

I am looking forward to another great pool season and welcoming back all the folks who "winter down south." In addition, I'll get to see all the "pool regulars" and all the new residents, who recently moved into our community and joined the pool.

My thanks to you for supporting the pool program, if you have any questions, please call the Village Hall at 689-4189.
