- August Yards Of The Month
- Landscape Committee Update for July 2023

- Landscape Committee Update for July 2023
- Deterra Drug Disposal System Bags

This Month At West Neck...

West Neck Road Closure

Click [HERE](#) to print flyer (below)

This is to inform you of the upcoming road closure and detours set to take place. As part of the West Neck Road Phase IV construction project, Trident Civil will be performing work requiring the closure of West Neck Road between North Landing Road and Indian River Road. The road will be closed to through traffic from Monday July 31st through August 7th. Traffic will be rerouted around the closed area as shown in the map below.

Please note alternate access to WN can be through Courthouse Estates to North Landing Road or Indian River Road through Indian River Plantation.

West Neck Needles & Threads

For any West Neck resident who enjoys working with their hands. We knit, crochet, do lap quilting, needlepoint and cross stitch. Some members knit or crochet prayer shawls or baby hats to be distributed to those in need.

We meet on the first Monday of the month at the Village Hall from 1-3 PM, except holidays, then we meet on the following Monday.

Contact Diana (dpcue@live.com) if you would like to know more about our group.

Our next meeting is August 7.

Landscape Committee Update July 2023

Irrigation

We are pleased to announce that irrigation has been successfully installed in the Town Center Traffic Circle and is now active!!

For those of you who may be new to the community, we used the existing irrigation infrastructure to create our own irrigation system separate from the previous golf course. This was a complex and challenging project requiring separation from the golf course, installation of a second pump, installation of additional PVC, drilling under the street to bring water into the circle, and completion of repairs to the existing equipment. We now have an active irrigation system in the traffic circle to support the landscaped areas in that space.

Future phases of irrigation would include Legendary Drive and Cadence Way. A source of water will be our most challenging obstacle because the ponds in those areas are located on property not owned by the community association. We'll keep you informed as we work through those plans.

Town Center Traffic Circle Landscaping

At the recent Board Meeting we presented three proposals to refurbish the landscaping in the traffic circle. The Board approved our request to award James River Landscaping with the contract. We greatly appreciate the Board's support of this important community improvement project.

The beds in the outer ring of the circle (where the roses are located) will be completely relandscaped. All existing shrubs (roses and camelias) will be removed and new plants will be installed. The shrubs in the inner circle where there is a low brick wall will be repaired and maintained to provide a consistent and attractive hedge.

The roses in the circle are diseased and will be removed in late August or early September. The soil will then be treated due to the disease that resides in the roots and soil. The new plantings will be installed in late fall when temperatures have fallen low enough to cool the soil. So please be aware that those beds will be empty for several weeks during this transition.

The center focal point where the dolphin is currently located will be addressed separately. The Landscape Committee is looking at a number of options to refurbish and/or replace the dolphin. If you have ideas or suggestions we would welcome your input.

Your suggestions and feedback are always welcome. Refer to the documents/landscaping section of the West Neck resident website to locate contact information for all Committee members.

Submitted by Connie Milne, Committee Chair

Deterra Drug Disposal System Bags

2,000 Deterra Drug Disposal System Bags have been donated to our community courtesy of Optima Health and the Patient Advisory Council for Sentara Princess Anne Hospital.

Each bag can safely dispose of up to 45 pills, or 6 ounces of liquid, or 6 patches.

Residents may pick up these free bags at the Village Hall reception desk.
