Notes to the Community from the Vice President

***** ASSISTANCE REQUESTED *****

I'm reaching out to all homeowners who may be able to help us as we continue our research and compilation of data which may help us in the future once Harrison and Lear, Inc. make their formal application to the city for rezoning of the Signature golf course property.

Specifically, we are looking for any original marketing brochures from the Baymark Corporation, Inc.; Baymark Golf, LLC; Mr. Richard S. (Dickie) Foster; any real estate agent or other entity which depicted your house or condo within or adjacent to the Signature golf course. We are also looking for any documentation that shows a premium for lots with a golf course view or common boarder.

If you have such information or other information you may think would be helpful, and are willing to share, please email me at tglucky@cox.net. I will then contact you to arrange a mutually convenient time to discuss/view your information.

Thank you in advance for your efforts to help your West Neck community.

Tom Luckman

**Reminder to dog owners/walkers:
Please curb your dog!**

Several home owners have recently commented on poor dog walking behavior by dog owners/walkers.

Allowing your dog to walk on your **neighbor's private property** and do their business is just bad etiquette. Please be a good neighbor and curb your dog. Thank you.
