Five-Year Forecast

FY 2024-25 — FY 2028-29

Virginia Beach City Council and School Board received data to begin thinking about policy decisions needed for next fiscal year.

Budgeting is a year-round process and each year in the fall, Budget and Management Services provides estimates of revenue from all major general revenue sources, and departments prepare their resource requests. Learn more about how the Five-Year Forecast gives a first look at the City's overall financial position and the next steps in the budget process. Be sure to subscribe to get updates on the budget and process, and how you can provide your input before major decisions are made.
