KEEPING RESIDENTS INFORMED + INVOLVED

Ready VB

Prepare Your Home for Winter Weather Impacts

With hurricane season over, winter is coming. It's time to prepare, as the National Weather Service is predicting above normal precipitation this winter for Southeastern Virginia. Take action now by ensuring you have emergency supply kits ready at home, in your car and at work, and signup to receive alerts from the City of Virginia Beach during inclement weather.

What is the Process for Short-Term Rental Complaints?

In 2019, the City Council adopted short-term rental regulations into the Zoning Ordinance. Using the data collected over the past couple of years, the Zoning Office has identified areas in the enforcement process to be evaluated for possible improvements. Learn about the current process before your input is requested in the future.
