## The Ripple Effect: Understanding Watersheds and the City's Drainage System

There are four primary watersheds in Virginia Beach – the Elizabeth River, Lynnhaven River, Atlantic Ocean and the Southern Rivers – that essentially act as natural boundaries collecting and channeling rainfall and runoff towards a common outlet.

## Virginia Beach Fire Department Graduates 33 Firefighters from Academies 14 and 15

Fire Academies 14 and 15 began with 24 and 18 recruits respectively in late September 2023. After seven months of training that tested their physical and mental strength, 33 graduates walked across the stage on April 23 at the Virginia Beach Convention Center. This was the first time the department held concurrent academies at the Harry E. Diezel Fire Training Center.
