KEEPING RESIDENTS INFORMED + INVOLVED

CITY OF VIRGINIA BEACH
FIVE-YEAR FORECAST
FY 2025-26 – FY 2029-30

Virginia Beach City Council and School Board received data to begin thinking about policy decisions needed for next fiscal year.

Budgeting is a year-round process and each year in the fall, the City's Department of Budget and Management Services provides estimates of revenue from all major general revenue sources, and departments prepare their resource requests. The budget process for fiscal year 2025-26 officially kicked off on Nov. 26 during a joint meeting of the Virginia Beach City Council and School Board, as they were presented the Five-Year Forecast.

Learn more about how the Five-Year Forecast gives a first look at the City's overall financial position and the next steps in the budget process. Be sure to subscribe to get updates on

the budget planning and process, and how you can provide your input before major decisions are made.
